**Bayard, Inc. Launches Virtual Pilgrimage
*Rome, at the heart of the Church***

*"For the Church, pilgrimages, in all their multiple aspects,
have always been a gift of grace." John Paul II*

Worcester, October 19, 2021 - Pilgrimage, one of the most meaningful expressions of faith, is reinventing itself! After "Holy Week in Jerusalem" in March 2021, Bayard Inc. offers, under the *Living with Christ* brand, a new and exclusive e-pilgrimage to Rome, "the Eternal City" .

ROME, AT THE HEART OF THE CHURCH, is a 4-day cultural and spiritual journey of discovery, inspiration and contemplation through 16 high-quality videos and live celebrations.

From November 18 to November 21, 2021, participants are invited to follow the footsteps of the first pilgrims who arrived 2,000 years ago; they will visit Ancient Rome, the Forum and the Coliseum, Piazza Navona and Trevi Fountain, the Baptistry of the Saint John Lateran Basilica, St. Peter's Square, and much more!

Every day will be an opportunity to experience the places God has revealed himself in a unique way, to learn about them, and celebrate, thanks to:

- **Guided tours in video** of the Must-See Holy Places in Rome: the major basilicas, the great French churches, most of early, Ancient and Baroque Rome.
- **Mini-conferences from special guests** who will offer insights and reflections on the experience: Very Reverend Benoit Griere, A.A., Superior General, Augustinians of the Assumption; Father Luc Forestier, priest of the Oratory and director of the ISEO of the Catholic Institute of Paris; Father Jacques Nieuviarts, Assumptionist, editorialist at *Prions en Église/Living with Christ*; and Robert Mickens, Editor in Chief of *La Croix International*, former collaborator at Vatican Radio and the Rome correspondent for the *London Tablet*.
- **Live broadcasts of daily liturgies each day**, from Italy, in English.
- **And more.**

This faith- and culture-filled virtual tour through Rome and its wonders is hosted by Father Sebastien Antoni, Assumptionist, journalist, and program director. Fr. Antoni is a theologian, member of the international ecumenical society for the study of Christian liturgy and worship -- Societas Liturgica -- since 2006.
